Equipment Leasing for Bank Customers

Your customer's sales are skyrocketing and they need more equipment and software. The bank can't provide 100% financing and your customer is about to call the competition.

How do you protect your relationship?

Call Cobra Capital. No gimmicks. No doubletalk. Just leasing solutions that work for you and your customers. Sound familiar? No surprise. After all, we're bankers too. For over 20 years.
